YOUR CUSTOM TYPING CONTENT:

November is a busy month in the United States! On the first Tuesday following the first Monday in November, it is Election Day. Every two years, U.S. citizens vote for senators and congresspeople, and every four years, they vote for a president. On some Election Days, citizens vote for other officials, such as governor, mayor, or state representatives. It's important that every citizen votes because whoever wins will help make laws in the city, state, or country. You may not be old enough to vote yet, but you can still learn about the candidates and the process of voting!
