VETERANS DAY

On November 11, 1918, World War I (WWI) came to an end with the signing of an armistice (or agreement for peace). As the world celebrated the end of a four-year-long battle, President Woodrow Wilson named this day, "Armistice Day." Decades later, this day became a national holiday, honoring veterans of WWI. However, in 1954, the holiday was renamed "Veterans Day" to honor veterans from all wars. On November 11, take a moment to recognize and remember the millions of veterans who have fought and served in the United States Armed Forces.
