ISTE Standards Correlations

ISTE CORRELATIONS

Typing.com meets a variety of ISTE standards, helping to prepare students for college, career, and digital citizenship in an increasingly connected world. Our curriculum includes games and media-rich activities that ensure students are engaged and self-motivated while developing important keyboarding, digital literacy, and digital citizenship skills.

Table of Contents

Pre-keyboarding Skills

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.1.d
Students understand the fundamental concepts of technology operations, demonstrate the ability to choose, use and troubleshoot current technologies and are able to transfer their knowledge to explore emerging technologies.

Learn the Keys 1

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Learn the Keys 2

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Word Practice

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Pre-Keyboarding

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.1.d
Students understand the fundamental concepts of technology operations, demonstrate the ability to choose, use and troubleshoot current technologies and are able to transfer their knowledge to explore emerging technologies.

Learn the Keys

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Punctuation & Numbers

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Cross-Curricular Typing

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Digital Citizenship & Communication

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.2.a
Students cultivate and manage their digital identity and reputation and are aware of the permanence of their actions in the digital world.

1.2.b
Students engage in positive, safe, legal and ethical behavior when using technology, including social interactions online or when using networked devices.

Pre-Keyboarding

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.1.d
Students understand the fundamental concepts of technology operations, demonstrate the ability to choose, use and troubleshoot current technologies and are able to transfer their knowledge to explore emerging technologies.

Learn the Keys

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Punctuation & Numbers

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Cross-Curricular Typing

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Digital Citizenship & Communication

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.2.a
Students cultivate and manage their digital identity and reputation and are aware of the permanence of their actions in the digital world.

1.2.b
Students engage in positive, safe, legal and ethical behavior when using technology, including social interactions online or when using networked devices.

1.2.d
Students manage their personal data to maintain digital privacy and security and are aware of data-collection technology used to track their navigation online.

Creative Writing

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.6.b
Students create original works or responsibly repurpose or remix digital resources into new creations.

Pre-Keyboarding

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.1.d
Students understand the fundamental concepts of technology operations, demonstrate the ability to choose, use and troubleshoot current technologies and are able to transfer their knowledge to explore emerging technologies.

Learn the Keys

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Punctuation & Advanced Keys

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Cross-Curricular Typing

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

Digital Citizenship & Communication

1.1.c
Students use technology to seek feedback that informs and improves their practice and to demonstrate their learning in a variety of ways.

1.2.a
Students cultivate and manage their digital identity and reputation and are aware of the permanence of their actions in the digital world.

1.2.b
Students engage in positive, safe, legal and ethical behavior when using technology, including social interactions online or when using networked devices.

1.2.d
