

October 2021 Custom Activity

Grades 1 & 2

Create custom lessons or timed tests that will be visible to your entire class! When you create a Custom Test, your students will be able to see it under "Custom Lessons" on the Lessons page. Break the lessons into multiple screens and keep students engaged!

STEP 1 Log in to your Teacher Portal [HERE](#).

STEP 2 Hover over the plus sign icon on the top-right corner, and click "Create a Custom Lesson/Test"

STEP 3 Enter the required information, and then click "Save."

When your students log in, they should be able to see the lesson(s) you just created. If they were already logged in, they will need to log out and log back in to see them.

YOUR CUSTOM TYPING CONTENT:

If you plan to carve a pumpkin for Halloween this year, be sure to save the seeds! With the help of an adult, you can wash, season, and roast pumpkin seeds in the oven. Pumpkin seeds are a tasty and healthy snack.
