

December 2021 Custom Activity

Grades 1 & 2

Create custom lessons or timed tests that will be visible to your entire class! When you create a Custom Test, your students will be able to see it under "Custom Lessons" on the Lessons page. Break the lessons into multiple screens and keep students engaged!

STEP 1 Log in to your Teacher Portal [HERE](#).

STEP 2 Hover over the plus sign icon on the top-right corner, and click "Create a Custom Lesson/Test"

STEP 3 Enter the required information, and then click "Save."

When your students log in, they should be able to see the lesson(s) you just created. If they were already logged in, they will need to log out and log back in to see them.

YOUR CUSTOM TYPING CONTENT:

Have you ever seen a snowflake up close? If you have, you've probably noticed that snowflakes have beautiful patterns. Most snowflakes are very small, but some can be as big as a penny! Did you know that all snowflakes have 6 sides or arms? Pretty COOL, right?
