**STEP 2** Hover over the plus sign icon on the top-right corner, and click "Create a Custom Lesson/Test"

**STEP 3** Enter the required information, and then click "Save."

When your students log in, they should be able to see the lesson(s) you just created. If they were already logged in, they will need to log out and log back in to see them.

## YOUR CUSTOM TYPING CONTENT:

Jane Goodall is a scientist who is known for her important discoveries about chimpanzees. She has spent most of her life studying these animals in Africa and even lived with them for 2 years! She saw that chimps can make and use tools. She also discovered that they eat both meat and plants—just like humans!
