

May 2022 Custom Activity

Grades 6-8

Create custom lessons or timed tests that will be visible to your entire class! When you create a Custom Test, your students will be able to see it under "Custom Lessons" on the Lessons page. Break the lessons into multiple screens and keep students engaged!

STEP 1 Log in to your Teacher Portal [HERE](#).

STEP 2 Hover over the plus sign icon on the top-right corner, and click "Create a Custom Lesson/Test"

STEP 3 Enter the required information, and then click "Save."

When your students log in, they should be able to see the lesson(s) you just created. If they were already logged in, they will need to log out and log back in to see them.

YOUR CUSTOM TYPING CONTENT:

May the 4th be with you! If you're a Star Wars fan, you might understand this fun play on words that turned the 4th of May into unofficial Star Wars Day. This holiday is in reference to a conversation between General Dodonna and rebel fighters in George Lucas's 1977 film, "Star Wars: A New Hope." He tells his rebel fighters, "Man your ships! May the Force be with you!" However you choose to celebrate May the 4th, here's a Star Wars joke to share with your friends: What does Luke Skywalker usually bring to a picnic? He always brings the forks.
