

February 2022 Custom Activity

Grades 6-8

Create custom lessons or timed tests that will be visible to your entire class! When you create a Custom Test, your students will be able to see it under "Custom Lessons" on the Lessons page. Break the lessons into multiple screens and keep students engaged!

STEP 1 Log in to your Teacher Portal [HERE](#).

STEP 2 Hover over the plus sign icon on the top-right corner, and click "Create a Custom Lesson/Test"

STEP 3 Enter the required information, and then click "Save."

When your students log in, they should be able to see the lesson(s) you just created. If they were already logged in, they will need to log out and log back in to see them.

YOUR CUSTOM TYPING CONTENT:

Have you ever wanted to explore outer space? Mae Jemison knows a thing or two about out-of-this-world travel! Mae Jemison was the first Black woman to travel into space in 1992. She was a mission specialist aboard the shuttle Endeavor along with 6 other astronauts. While onboard, Jemison completed a number of experiments. She spent a total of 190 hours in space before returning to Earth. After resigning from NASA in 1993, Jemison became a professor at Dartmouth College and later created her own company that researches and develops new technologies.
